

RENAULT CAR CLUB of QLD

Economy Run

Sun. 24 Oct. 2021

You'd be a star performer in a Florida!

The 2021 RCCQ Economy Run will travel to a secret location on interesting and challenging roads. (What a surprise!)

It will be great fun, but if you want details of the route, you'll be disappointed at this stage. More information will be provided closer to the event.

We'll start at 8.30am and finish by about 4.30pm, but since your slack Economy Run Director hasn't even surveyed the route yet, we don't know where we will end up, let alone how we will get there.

The schedule will be:-

- Arrive by 8.15am for a start at 8.30am sharp.
Cars built before 1970 will be allowed to start earlier.
- Enjoy a delicious morning tea along the way.
- Enjoy driving over interesting and scenic roads.
- Enjoy lunch at the SL (Secret Location).
- Enjoy more good 'drivers' roads and perhaps visit something interesting.
- Finish by about 4.30pm.
- There'll be special awards for older cars, but everybody wins a certificate!!

Economy Run

Sun. 24 Oct. 2021

This R5 Turbo 2 wouldn't win any prizes for economy, but it would be very welcome!
